Correction

Commissioner For Patents  
United States Patent and Trademark Office  
P.O. Box 1450  
Alexandria, VA 22313-1450

Dear Commissioner:

I want to acknowledge a mistake of minor character that I recently discovered in the following recently issued plant patent:

United States Plant Patent Number 15,180  
'CHERRY TREE NAMED GLENARE'  
Issue Date: 09/28/2004  
Filing Date: 06/25/2003  
Serial Number: 10/602667

In the original application I referenced the following cherry varieties in the original application:

Page 1 Line 15: 'Tulare' (United States Plant Patent Number 6,407)  
Page 2 Line 5: 'Tulare' (United States Plant Patent Number 6,407)  
Page 2 Lines 11 & 12: 'Glenred' (United States Plant Patent Number 12,859) and the 'Tulare'. This references the 'Glenare' as being a pollinator for 'Glenred' and 'Tulare'.

Reciprocally, the 'Glenred' and 'Tulare' are pollinators for 'Glenare', but on Page 4 Line 4 I mistakenly typed "such as 'Tulare' or 'Sequoia'." This should have said "such as 'Tulare' or 'Glenred'," for which the pollination tests were completed. **The word 'Sequoia' is in error, and should read 'Glenred'.**

I should have caught the error, and usually the Patent Examiner would have caught it because every first reference is required to be followed by (USPP Number) or (unpatented), whichever is the case. As further proof of my error, form PTO/SB/08A was filed naming the 'Tulare' and 'Glenred', the only two cited references.

Please accept the included **CERTIFICATE OF CORRECTION** appropriate for this mistake of minor character.

Also included: Post-issuance fee for correction of applicant's mistake \$100.00

Respectfully,

Lowell Glen Bradford
